ROBBERY RULED OUT BY O.P.P. IN SLAYING OF BANKER

Robbery has been ruled out by police as a motive in the shooting death Friday of Haliburton bank manager Eric J. McConnell.

Funeral services were held at Etobicoke Wednesday for Mr. McConnell, 45, who died seconds after he was shot twice following a scuffle in his office at the Bank of Montreal in Haliburton.

George Armstrong, 40, of Richmond Hill, has been charged with murder and his brother, Alan Armstrong, 30, of Weston, as an accessory after the fact.

Both men appeared in magistrate's court Wednesday and were remanded one week without bail.

George Armstrong, a bulldozer operator, was picked up by police in a disused snack bar near Kirkfield several hours after Mr. McConnell died with a bullet in the chest and one in the stomach.

Police were led to the snack bar by Alan Armstrong who was apprehended a short time before when OPP Const. Jean DesLaurier, of Cobocok followed and stopped his car.

Bullet in Foot

George Armstrong was suffering severe right leg and foot injuries and told police these had been caused by a bullet. Eye-witnesses at the bank said a third bullet discharged from a .25 automatic carried by the gunman as he was leaving the bank.

Armstrong was taken under guard to Ross Memorial Hospital where an x-ray revealed the injuries to have been caused by glass.

The bank gunman crashed through the glass door of the

manager's office after employees heard an argument inside.

Police said today it appears that the gunman went to the bank to see about a loan. But there is some mystery regarding a name found "doodled" on a blank cheque form on the manager's desk.

The name Robert Thomas had been jotted down by Mr. McConnell together with a figure of \$2,500, and the address where Armstrong has a summer cottage north of Haliburton.

Police have pointed out that a man who called Haliburton OPP shortly before the shooting and delivered a decoy message, also used the name Thomas.

The man called Mrs. Harvey Cook, wife of Const. Harvey Cook and said he had seen a young girl being led into the bush by a man. Const. Cook, accompanied by OPP Const. George Mounstevan, raced to the spot indicated by the man but found nothing to bear out his story.

Mr. McConnell, with his wife, was due to leave for a Maritime vacation as soon as he closed the bank Friday night. He had commented earlier on the large number of loan applications received that day.

The gunman, who is said to have visited the bank earlier in the day, entered the bank around 6 p.m. He was carrying a paper shopping bag.

He spoke to one of the bank staff and asked to see Mr. McConnell. But Dr. and Mrs. Harry Good, of Haliburton, were in the manager's office at the time bidd-

Eric McConnell

ing him bon voyage on his impending vacation.

Although the gunman watched other staff members put money into the vault, he made no attempt to intervene but waited patiently for about 20 minutes for his interview with Mr. McConnell.

Then, at about 6:25 p.m. Dr. and Mrs. Good came out of the manager's office and the gunman entered.

Another 20 minutes elapsed. Then the man came reeling through the glass door of the office, shattering it. This occurred after staff members heard what sounded like a violent argument inside.

Exactly what took place in the office remains unknown. Mr. McConnell was shot twice when the visitor pulled a .25 Biretta pistol from the shopping bag. The manager walked about three paces, fell and then crawled about 10 feet before he died.

The only remaining witness to what went on in the office is the gunman. And although evidence so far indicates that he was applying for a loan, the circumstances reveal several bizarre features which are causing the police some second thoughts.

The assailant drove off at high speed in a late model car which was parked outside the bank. Mrs. Betty Dawson, doing a crossword puzzle in her home across the street, jotted down the licence number as the car drove off. This was given to police.

OPP were alerted throughout the district within minutes. Roadblocks were clamped on possible escape routes. Some time later, the gunman's car was found at Haliburton Lake, some 25 miles northeast of the village.

Search Started

Acting on information, police then turned their attention to the Kennis Lake area where they were aided in an intensive search by lands and forests personnel and local guides.

Meanwhile, Inspector Archie Eady of the OPP Criminal Investigation Branch, Toronto, joined local OPP at the scene under

—Photo by Geo. Wheeler

BANK CLERK Jack Brohm points to spent .25 calibre shell on floor. Two .25 calibre bullets killed bank manager.

Insp. Allan Stringer of Peterboro.

Further information put police on the lookout for a 1957 black Ford containing two men. Minden OPP learned that a car answering this description had passed through their area about 1 a.m. Saturday. They, in turn, alerted Const. DesLaurier at Cobocok.

Const. DesLaurier spotted the car heading north at Cobocok near the Victoria Haliburton county line. He stopped the vehicle after a brief chase and the 30 year old driver agreed to take the constable and Insp. Stringer to the abandoned house-snackbar on Highway 46 near Kirkfield.

The driver, later identified as Alan Armstrong, honked his car horn five times while he waited with officers outside the house. George Armstrong came out and

quietly gave himself up to the police.

He was taken to a local doctor's office for treatment before being transferred to Ross Memorial Hospital at Lindsay. Said a police officer of Armstrong's injuries: "It's a wonder he didn't bleed to death."

He said the leg wound was about an inch across and quite deep. It ran from the knee to the foot where there was a large, pulpy wound.

The slaying occurred on the anniversary of a bank robbery at Havelock when \$232,000 in cash and securities was taken from the Toronto-Dominion bank by four hooded gunmen. The men have been convicted and sentenced but no money has been recovered.

Incorporation Plans Delayed

Approximately 150 property owners of Harburn township were present at a meeting held in the community hall at Haliburton Lake on Saturday evening last. Mr. A. B. Bonner, chairman

for the occasion, gave a brief outline of the purpose for which the meeting was called, the separation of the township of Harburn from the rest of the municipality. He then called on Larry Nicols to explain to the ratepayers what they were paying in taxes and the amount that would be required to operate as a separate municipality.

Mr. Nicols stated that the amount of taxes collected from Harburn on the 1961 assessment was \$25,702 which he drew to the attention of those present was considerably in excess of the figure presented by officials of the municipality at the meeting held on July 27 last.

Mr. Nicols felt that the municipality of Harburn, if such became a separate township, could operate with something like \$4000 surplus and provide the ratepayer with much better service than he enjoys now. It became evident as the meeting wore on that there were a considerable number present who had strong doubts regarding this assumption and as the meeting continued it was obvious that a sharp division had arisen on the matter by those present.

During the discussion, which was rather heated at times, the question was put to the chairman as to whether there were enough persons residing in Harburn with municipal experience to operate a municipality such as Harburn. The chairman expressed his opinion that there were many ratepayers in the township who were just as capable as those who now administer the affairs of the municipality.

One ratepayer stated that the present council was run by the employees with the council having very little to say.

Other ratepayers present thought that Harburn was being treated quite fairly and the 25 miles of road in the township were in far better shape than in many other areas. A few of those at the meeting were of the opinion that the idea of a vote on incorporation was being railroaded through inasmuch as they had not had a chance to go over the figures presented at the meeting.

When the motion was put to place the matter of incorporation to a vote of the meeting an amendment was moved to the effect all figures relative to the receipts

Golf Tourney This Sunday

Golfers from all parts of Haliburton county will be gathering at the Haliburton golf course on Sunday for the annual club tournament.

All indications point toward a large field of competing golfers.

This annual tourney is open to Haliburton county residents only, so if you would like to try your luck be at the golf course at Haliburton before 1 p.m., starting time.

The tournament will be governed by match play rules. The competition is expected to continue for four weeks when a winner will be declared.

Failed Report Crash, Cleared

A man who said he waited at the Haliburton OPP office for half an hour for the police had a charge of failing to report an accident dismissed by Magistrate Moore in court Friday.

Robert D. Macklin of Toronto pleaded not guilty. The accident occurred on Highway 519 less than a mile south of its junction with Highway 121.

Macklin told the court his right front wheel went flat, the car bounced on its roof, and ended up on its wheels.

He then drove to his Haliburton cottage and was advised, he said, by his father to leave it until morning. Police were notified the following afternoon.

HALIBURTON NEWS LETTER

Miss Nancy Best recently underwent an appendectomy operation in Women's College Hospital, Toronto, where she is a student nurse. We are glad to report that Nancy is making a satisfactory recovery and will be returning home on Sunday next for three weeks convalescence.

Many friends of Ben and Gladys Weese were glad to see them about our town on Wednesday. We are also pleased to note that Ben who was in very poor health for quite some time is now able to go to work again.

We regret to report that Alfred Burke is still in Ross Memorial Hospital and while his condition cannot be regarded as serious, he is not making as fast a recovery as his friends might hope for.

Persistent rumors keep cropping up regarding business changes and while nothing is very definite yet where there is

a lot of smoke, there must be some fire. We may have something more concrete to offer you in this regard next week.

Many of the older residents of Haliburton will no doubt recall Charles Lyons who resided here a good many years ago. Charlie, who everyone called him, was a reservist in the British Imperial Forces and at the outbreak of World War I in 1914 he left for England to defend the land of his birth. After the war he returned to Canada and lived here for a period then returned to England. While preaching in a small church over there Canon J. S. Harrington made his acquaintance and it was through him we learned that Charles Lyons had passed away some two weeks ago.

Earl McNeil of Haliburton reports that he has a red geranium that is 71 inches high with 31 buds and flowers. He is inviting

all those interested to drop around to his house to see it.

Recent tests made of water taken from the Drag River above the dam showed that it is contaminated. While this condition has apparently existed for some time nothing much is being done to clear up the situation. Owing to the low level of the water it is apparently worse than other years.

Miss Penny James of Toronto and a friend, Denise Blingnot of Capetown, South Africa, were guests of Mr. and Mrs. Martin Best last week end. These two young ladies met while touring Europe and after spending the winter in Toronto, they plan to continue their travels which will take them around the world.

Mr. and Mrs. O. Miller of Toronto have been visitors in the village this week, the guests of Mrs. Ruby Spiers.

HALIBURTON

GOLF TOURNAMENT

Sunday Sept. 9
1 P.M. Match Play
Local Residents Only

MAPLE LAKE

Mrs. Elsie Packard is in Minden Red Cross hospital due to a heart attack.

Miss Sydna Cowen spent a few days at Kinmount.

A mixed group of young folk who have attended the Anglican Bible study during July and August held their last study of the year at Bithynia farm with 19 attending. Mr. Ted Breffitt was in charge. The evening began with a sing-song of familiar hymns and Bible study, followed with a weiner and marshmallow roast. We look forward to another year with the young people.

Miss Dora Dawson has returned to Upper Canada College, where she is employed.

Mr. and Mrs. Royce Packard of Harcourt were with the James Packard's last week end, also Mr. B. Bacon of Lindsay.

Miss Lynda Bacon and Marlene Packard returned from camp on Saturday.

Mr. and Mrs. Cecil Morrison and boys and Perry of Bowmanville and Ruth Thompson of Toronto spent the holiday at Bithynia farm.

Mr. and Mrs. George Otto and nephew spent the week end in their cottage.

Mr. and Mrs. Charlie Morrison and Mr. and Mrs. J. A. Morrison called on Mr. and Mrs. L. C. Morrison Thursday evening. The ladies attended the farewell party for Nila Reynolds who is moving to Oshawa.

Mr. and Mrs. Cecil Clarke of Whitby. Mr. and Mrs. Neilson Ownes of Toronto, June and Kathleen Ownes and Mrs. Ethel Fader called at the Fountain farm on Sunday.

Mr. and Mrs. Mel Silvers spent a day with Mr. and Mrs. George Fader.

Miss Phrona Sisson was at her farm home for a few days and while there visited with Mr. and Mrs. Lorne Fry.

Mr. Skelding Sr. has returned to Twilight Inn.

With schools opening again motorists will have to use a little caution.

We bid farewell to our summer residents once more, but look forward to seeing some at Thanksgiving.

Threshing is the main object of discussion. Mr. Charlie Fader is again doing the rounds.

Miss Patsy Barry of West Guilford spent a week with Bryan and Leslie Morrison at Bowmanville.

Miss Sandra Morrison, nurse in training, is now at the Whitby hospital for the month of September.

Mr. and Mrs. Wm. Mark have returned after spending a holiday in Toronto and Gravenhurst. They also attended the CNE.

EDITORIAL

It Wouldn't Happen Here

Last Friday evening as closing time approached in our local branch of the Bank of Montreal the staff were busily engaged in serving the last customers and as they went about their various duties they no doubt were thinking of the long holiday week end—some of them going to the city, others looking forward to spending the time at the lake. For the manager, Mr. Eric McConnell, he was looking forward to closing time with more than ordinary pleasure as it marked the beginning of a three week holiday. He and his wife Hilda would, in a few hours, be motoring to Ottawa to attend the football game between Ottawa and Toronto, thence continuing down to the east coast to enjoy a well earned vacation.

Six o'clock arrived and shortly

after the last person had left, with the exception of one, who had said he wished to see the manager, entered his office and while the rest of the staff were putting the cash away the customer, who ostensibly was negotiating a loan, turned out to be a killer and shot down in cold blood one of the finest citizens who ever graced our village.

Thus what was supposed to be the beginning of a pleasant holiday became a ghastly nightmare for the staff and sudden death to their manager.

Just why did this terrible thing happen? Perhaps we will never know the full story. On the other hand those investigating this awful occurrence may be able to piece together sufficient facts to provide the answer.

Many of us were convinced that nothing of this nature would happen here and it will take some time to absorb the shock of the events of Black Friday, August 31, 1962.

OBITUARY

Joseph J. Boynton

Kirkfield and community were saddened on August 2, 1962 by the sudden passing of Mr. Boynton.

Born at Kirkfield, Joseph James Boynton was in his 71st year. He was a resident of the Kirkfield vicinity except for the 15 years employed by the Dept. of Lands and Forests at Dorset and Minden.

Mr. Boynton is survived by his wife, the former Sarah McEachern; three daughters and one son: Mrs. R. Broad (Margaret), Mrs. D. Hall (Elsie) of Lindsay; Mrs. D. Dawson (Eleanor) and Robert of Peterboro; four grandchildren, Joe Hall, Margo, Jeffrey and Kirk Broad; one sister, Miss Marie Boynton, Belleville; and two brothers, Albert of Picton and Ernest of Kirkfield.

He was a member and manager of Eldon Station Presbyterian Church and a member of Victoria Masonic Lodge, Kirkfield.

The funeral was held from the family residence on August 4 at 2 p.m. The Rev. K. Rooney officiated. The burial was in Riverside cemetery at Kirkfield.

Pallbearers were D. Southern, L. Truman, H. Coulter, D. McArthur, G. Campbell and J. Logan.

Flowerbearers were J. McArthur, S. McNabb, M. Brown, A. Truman, A. Bell and C. Boynton.

Walter Ernest Snell

Ernest Snell passed away in Hillcroft hospital, Bobcaygeon, August 22 after a brief illness. He was born in Anson township, May 12, 1892 the eldest son of the late John Smith and Elizabeth Smith. He had lived all his life in this vicinity with the exception of 12 years at Carbon, Alta.

Left to mourn are his wife, Ella Kernohan, and children, Mrs. Lloyd Ash (Myrtle) of Peterboro, Oswald of Minden, Mrs. Goldie Walker (Irma) of Minden and Jack predeceased him in 1939. Also surviving are six grandchildren and one step grandson; brothers and sisters, Garnet and Mark of Minden, James of Carbon, Alta., Mrs. Walter Welch (Dora) of Minden, Mrs. Earl Hewitt (Flora) of Minden, Mrs. Gordon Myles (Gertrude) of Peterboro, Mrs. Howard Westran (Sally) of Niagara Falls.

The funeral service was held at the John Welch & Son funeral home with Rev. D. Staples officiating and thence to Minden cemetery. Pallbearers were his fellow employees, Roy Windover, Ken Lewis, Richard Harrison, Harry Cowan, Fred Cooper and Leonard Lonsberry.

The high esteem in which the late Mr. Snell was held was very evident in the many floral tributes from relatives and friends.

Matilda F. Smith

Funeral service were held August 27 at 3 p.m. for Mrs. Matilda Smith from her late residence with Rev. T. Gracie of Minden officiating.

The late Mrs. Smith was in her 88th year.

After having sustained two falls Mrs. Smith passed away a few days later at the Red Cross hospital in Haliburton.

Surviving are three sons, Wesley, Mendal and Bruce of Haliburton; one daughter May (Mrs. Wm. Ward) of Haliburton. Also surviving are two granddaughters and three great grandchildren.

Pallbearers were five nephews, Hartman, John and Francis Noble, Gordon McCrea, Russell Johnston and Gordon Griffin, a neighbor. Interment was at Evergreen cemetery.

HALIBURTON LAKE

Mrs. Edward Adams of Hamilton spent a week with her sister, Mrs. Wellington Saddler at their cottage on Haliburton Lake.

They report some good catches of black bass, one weighing over four pounds, two at 3½ pounds and a lot of smaller ones.

MINDEN

Holiday visitors at the home of Mr. and Mrs. Sam McCullough were their daughter, Mrs. Bernice McCabe of Brampton, Mr. and Mrs. Don McLeod of Stroud and Mrs. McCullough's niece, Miss Frances Sheppard of Brandon, Man. They haven't met for 38 years.

LINDSAY BUSINESS COLLEGE INCREASES CAPACITY

The Lindsay Business College, a branch of the Oshawa Business College, began operations in Lindsay on April 19, 1960 with an enrolment of five students, three in day school and two attending in the evenings. It was not a very encouraging start, however, by July 1 with the opening of summer school, enrolment had increased to six in day school and three in night school.

With the opening of the 1960 fall term in September enrolment at the Lindsay Business College had jumped to 18 in day school while evening classes showed an increase up to seven. Miss Olive Mastion and Miss Marie MacArthur were instructors together with the principal and owner, Mr. M. C. Barnett. At the end of the year, Miss MacArthur resigned and Miss Mastion continued to teach Pitman shorthand and Mr. Barnett taught the balance of the 23 subject curriculum.

By the spring of 1961, several students had been placed in positions and considerably more interest was apparent in the opening of the summer school which averaged 31 students during July and August. With the advent of the fall term, however, the total capacity of the college was reached when 50 students attended day school classes. Soon there were registrations which could not be accepted as there was insufficient room. These were gradually absorbed during the fall term.

By the end of the spring term about 65 students had passed through the college as new ones registered to take the place of those who were placed in positions.

It became apparent that more space was needed. Consequently Mr. Barnett made arrangements to lease half as much floor space as the original college contained and reorganized the classroom, added new desks and equipment and set up a new office and reception room. A students' lounge with radio and coke machine, added much to the general college spirit.

The Lindsay Business College with a new coat of paint and completely renovated now has an enrolment capacity of 75 students. By all appearances, it would seem that total enrolment capacity will be reached by November. About 60 to 65 will start in September.

Evening classes continue also throughout the year. Averaging 15 to 17 per night throughout the year. The principal, M. C. Barnett has utilized the summer months to preparing three manuscripts which will be printed and made available to the students in the fall and winter terms. The manuscripts are, "Handling Routine Business Correspondence," "Business Law for Junior Staff," and "Business Machines and Office Equipment." Some of the work on the latter was begun three years ago.

Early in September Mr. Barnett in conjunction with radio station CKLY, will conduct "School of the Air," an hour-long program heard twice a week, Monday and Wednesday, 7 to 8 p.m. Last year about 35 students enrolled and followed the lessons week by week. The unique thing about school of the air is that it is the first time business subjects have been taught over the air in Canada.

Graduates of the Lindsay Business College appear to be readily accepted by local employers. Each student, as he or she develops the necessary skills and knowledge, are placed with little or no difficulty.

A number of graduates have gone to Toronto, Oshawa and Peterboro and have secured positions. Many more have been placed here in Lindsay.

WILBERFORCE

The sympathy of the community goes out to Mrs. McConnell and Linda, following their tragedy.

Visiting Mrs. L. B. Earle was Mr. Sid Sanders, originally of Bristol England. Mr. Sanders traveled extensively in Egypt before coming to Moose, Jaw, Sask. This is the first time Mrs. Earle has seen any relatives since leaving England 48 years ago.

Last Monday evening a shower was held in the basement of St. Margaret's church for Mr. and Mrs. Harry Sanderson and family, who lost their home by fire recently. The evening commenced with prayers and singing. About 50 people attended. The many lovely and useful gifts were deeply appreciated by the Sanderson family.

Congratulations to Mr. and Mrs. E. M. Sanderson, who had their 50th wedding anniversary last Tuesday. On Sunday evening 30 relatives met to celebrate at the Sanderson residence, and presented them each with a yellow gold wrist watch.

Visiting Mr. and Mrs. Chas. Bowen last week were Mr. and Mrs. Fred Steckly.

Visiting Mr. and Mrs. Arthur Mather last week end were Bob and Mary Langton, Bob and Hazel Carmichael, Edna and Chas. Lively, James and Annie Langton and Jack and Rosaline Weir of Toronto.

Mr. and Mrs. Lloyd Mather and family left for their home in Newcastle, N.B., after spending two weeks with relatives here.

Mr. and Mrs. Frank Minns and family and Mr. Ross Johnston visited Mr. and Mrs. Ed. Johnston last week end.

Mr. and Mrs. Karl Tallman attended the wedding of Mrs. Tallman's brother in London this week.

Mr. and Mrs. Bev. Harnden and family of Cobourg, visited Mr. and Mrs. Albert Saunders.

Last Wednesday evening a farewell party was held at the home of Mr. Jack Taylor for Cadet Whitehouse. Slides which Mr. Whitehouse had taken during his stay here were shown, and the many people who attended enjoyed the singing and games. Cadet Whitehouse left Friday for Vancouver.

On Friday, August 24 swimming tests were held at Lake Wilbermere. The results were as follows: beginners, Beverley Billings, Larry McNealy, John Sanderson, Judy Sanderson, Juniors, Jim Deterling, Phyllis Deterling, Laura Sanderson, John VanDer Veen, Trixie VanDerVeen.

On Friday evening a weiner and marshmallow roast was held on the beach at Lake Wilbermere. Many of the swimming club's 57 members and their parents attended. Races were held, and many junior swimmers sported red ribbons. Could be we have some future olympic material in our local swim club.

The Echo
Phone Number
Is 350W

EAGLE LAKE

Congratulations to Mr. and Mrs. Joe McCauley who were married recently in St. Anthony's Church, Haliburton.

Mr. and Mrs. Dwain Barry and children have returned to Toronto following a week's holiday with his parents.

Mr. and Mrs. Carl Wallace Jr., Grant and Cathy have returned from a holiday in Edmonton and other points.

Mr. and Mrs. Carl Wallace Sr. of Tamworth are holidaying in the village.

Mrs. W. Hobden left on Friday to visit her brother in Bredenbury, Sask.

Mr. and Mrs. L. Teasdale and family of Peterboro spent the holiday week end with his mother.

Mr. Ray Peters has returned from visiting relatives in Echo Bay. While there he attended the wedding of his granddaughter, Phyllis Kellett.

Miss Sheila Moore has gone to Toronto where she will attend school.

Mr. and Mrs. Norman Craig, Miss Sandra Roberts of Toronto and Mr. R. Didier of Stoney Creek spent the week end with Mr. and Mrs. Lewis Roberts.

Mrs. V. Tilbury and daughter Betty have returned to Woodstock after spending the summer here.

Mr. and Mrs. Armand Cote who have made their home here for the past three years, moved last week to Iroquois Falls where he has accepted a position in the high school.

Mr. Lorne Fry and Bill who are employed in Toronto, were home for the week end.

On Sunday, August 12 Mr. and Mrs. John Bowen celebrated an important milestone, their 59th wedding anniversary, at their cottage on Haliburton Lake.

The Bowens, who were married in the United church parsonage in Haliburton on August 12, 1903, have lived most of their lives in the county with the exception of some years spent in the Canadian West. Until a few years ago their home was in the Harburn settlement, but they now spend the summers at Haliburton Lake and the winters in Eagle Lake.

They have one son, Harold, and two grandsons Hayward and Rodney Bowen of Wilberforce. Mrs. Bowen, the former Elizabeth Watt, has four brothers, Will of Haliburton, Jack, Tom and Lawrence Watt of Kitscoty, Alta. Mr. Bowen has a brother Norman in Lloydminster and a sister Cora living in Vancouver.

Many friends offer congratulation to this popular couple and hope that they may celebrate many more wedding anniversaries.

Letters To Editor

Dear Sir:
Why some of the Stanhope ratepayers voted thumbs down on a new school.

The plebiscite read, "Are you in favour of the erection of a new three-room school?"

It did not state: or repair three 50 year old buildings now operating with eight grades in each school; nor did it say the new school would be a replacement for the old schools.

Our tourists aren't asked in their municipalities to vote on school questions. The councillors usually favor a better grade of education.

Tourists and tourist operators pay now more than 80% of this township's taxes. They would need to be well informed of the situation before they could vote intelligently otherwise, it is human nature to let the pocket book be their guide.

Since our vote two years ago the government grant has decreased from 80% to 50%.

Why should we not have a school that would encourage more applications from teachers rather than have them brush flies from their glasses and teach in improperly ventilated rooms.

Why not build a school with better living conditions and better education. At least give the children of this township an equal compared to those in neighboring townships. Statistics show graded public school student's progress better in high school.

Should we vote again? Please, we must all make an effort to study facts and figures intelligently before voting.

Sincerely,
Ev. Hewitt.

News Notes From The County

Going to the exhibition in Toronto by bus seems to be the thing to do these days. Busses have been run out of Haliburton on the last two Wednesdays and all have been filled. Those attending the exhibition this year all report a very good time.

Skin divers have been very busy this week taking the dead heads out of Head Lake. Working from a barge the logs are brought to the surface and put on the racks and taken to Lorne Bailey's lumber mill which is also on Head Lake.

Our congratulations this week to the West Guilford softball club who are the Haliburton county

champions.

The Country Junction show which is heard and seen over CKVR-TV each Thursday night saluted the village of Kinmount last week. They also put in a good plug for the Kinmount fair which was held last Saturday. A good number of people from all over the county attended.

The black bear hunting season opened in the Lindsay forest district on September 1. Haliburton county is included in the Lindsay district. On September 22 duck and grouse season will also open.

Ontario Hydro, faced with a reduction in hydro electric output because of below normal rainfall this summer, is relying heavily on steam powered generation to make up the difference. March to July rainfall in many of the province's watersheds has been much below average. The flow on the Ottawa is the lowest in 50 years, and the Niagara and St. Lawrence rivers are also down.

It's been six years since Bill Carmichael of Lindsay retired from the CNR. He came in on the train Friday last for his first visit to Haliburton since that time. He is well known in this area as he worked on several different trains that ran into Haliburton.

Montreal Canadiens one week hockey school opened in Peterboro last week with 93 boys attending. They came from Manitoba, Ontario, Quebec and the Maritimes, most of them scouted by Scotty Bowman, former junior "A" Petes coach. He and Same Pollock, Habs farm director, are aiding the new coach Frank Mario. Rick Bain of Haliburton was down and has made himself a place with the Peterboro Petes. We wish him the best of luck.

This coming Saturday is the date for the annual Minden fall fair. Right from the official opening, which is at 1 p.m. until the final gun at night there will be fun and excitement for all those who attend. Music for the big day will be supplied by the Kempenfeldt Trumpet Band of Barrie. From New York City comes "Melody Lady," the world's most educated horse. For your added enjoyment a parachute jump has been arranged with weather permitting. This thrill a minute jump should prove to be very popular with all those who attend the big event. And for the kids there will be a midway, refreshments, merry-go-round and pony rides. Yes, there will be something for everyone at this year's Minden fair. Plan now to ed

attend.

Good crowds attended the dances at the Golden Slipper over the past holiday week end.

The bears are still proving to be very popular at the Haliburton dump. Every evening a stream of cars head that way for a view of the bears.

The last big week end of the year has come and gone. Now we can get ready for the many winter activities that we will be having up this way. Remember, it's never dull up here in the winter.

The West Guilford ball club, who have just won the championship, hope to stage some exhibition games before the end of the season. They are trying to raise some money to buy new equipment.

Some of the local musicians from the Band of the Royal Canadian Legion sat in and played with the Peterboro Civic Band at their rehearsal in Peterboro one night last week.

Buzz Hodgson has sure made a name for himself in pitching softball this season. Last week he was presented with a softball trophy as the most valuable player to his team. Here's what the Peterboro Examiner has to say about this player. "Buzz Hodgson, Red Wasson and Bert Bailey are the trophy winners this year in the city softball league. Hodgson, a second year man with the People's pitching staff was voted to the leagues most valuable player and won the Labatt's trophy. The rookie of the year was Bert Bailey of the Rock Haven Juniors who captured the Robert E. Hotrum memorial trophy. Hodgson pitched and batted Peoples' into third place in the league standings. He hurled in 98 and two thirds, fanned 86, walked 22, won eight and lost five. He didn't compete in three of the games. He walked off with the batting crown with a sensational .460 average. He was up to bat 52 times, slammed out 24 hits and crossed the plate 13 times. He had five homers, a triple and four doubles in his 24 safeties." Congratulations Buzz on a fine season of softball. Reports from Peterboro tell us that Hodgson pitched good steady ball throughout the entire season.

Traffic was heavy again this Labor Day week end. The weather was ideal and the people flocked back to the Highlands.

Phyllis Griffiths, popular Toronto Telegram reporter is at present vacationing at Miner's Bay. She gained prominence recently when she began her campaign for a new deal for convict-year's Minden fair. Plan now to ed arsonist Robert Roberts. The

campaign has resulted in re-opening of the case by the Ontario court of appeal on order of Justice Minister Fleming. In Friday's Tely she has a write-up on the Roberts' case.

Convicted of careless operation of a motor boat led to a fine of \$25 and costs of \$53 in magistrate's court in Lindsay one day last week. The court heard that Burn's, driving a friend's boat at Thurstonia Park, narrowly missed hitting a moving rowboat and later crashed into a boat tied at the dock. OPP Const. Lawrence Lowry testified the boat owner, who was facing the stern of the craft operated by Burns, had warned the accused twice about careless handling of the boat.

A skindiver Thursday afternoon recovered the body of Kurt Aaling, 26, of 65 Edinburgh Cres., Toronto, who drowned late Wednesday in the Burnt River, two miles south of the village of Burnt River, north of Fenelon Falls.

Aaling was with two companions, Kay Johannsson, 34 of Rexdale, and Heinz Brandt, 45, of Toronto, when the canoe in which they were traveling capsized.

The accident occurred near the shore just off Highway 121.

The trio had arrived in the area late Monday for a short holiday.

Police Const. Jean Deslaurier of Coboconk OPP said the men had only paddled about 300 yards from their cottage when the craft capsized. He said it is believed the canoe overturned because one of the men was paddling too "briskly."

Dancing in the Highlands of Haliburton is on the upswing. On Saturday night the Golden Slipper orchestra played to the largest crowds of the season. On Sunday evening the Slipper dance floor was crowded once again for the midnight frolic. Everyone seems to be dancing at the Slipper.

This week we would like to extend a hearty welcome to the many new school teachers who will be living here and teaching in Haliburton county.

We understand the two hockey players from Minden were in Peterboro last week to attend the hockey school which was sponsored by the Montreal Canadiens.

The music at the SLIPPER is not all twist, not all jive, not all fox trots, not all polkas, not all square dancing, but some of each, at the SLIPPER Saturday nite.

BANK OF MONTREAL REPORTS—

With Canadian consumers spending about \$25 billion a year for goods and services, shifts of a single percentage point in the proportions spent for services, versus durable and non-durable goods, can have significant effects on the whole economy.

So says the Bank of Montreal's Business Review for August, just issued, which traces the changing patterns of spending by Canadians in the years 1954 to 1961.

In those eight years, Canada's population rose some 19%, while personal income after taxes increased by 50%, the bank says.

In the same years, while expenditures for all goods and services also increased by about 50%, spending on services went up by more than 60%.

Thus in broad figures, services increased their share of the total between 1954 and 1961 by about 3%. In the same period, by contrast, the shares of the durable

and non-durable sectors dropped about 1% and 2% respectively.

"Structural Significance"

The shifts which have occurred in the relative importance of spending in the three categories "are manifestations of a trend that has considerable structural significance for the economy as a whole," the B of M believe.

In the shorter run, however, "the course of expenditures in each of the three categories throughout the business cycles has had a more immediate impact on the level of business activity and the prosperity of individual industries.

"The regular upward movement of spending on services and non-durable goods has provided a generally steady but expansionary influence, whereas changes in outlays on durable goods have tended to reinforce the cyclical pattern of economic activity," the B of M review concludes.

WHAT IS A SOLDIER?

Between the security of childhood and the insecurity of second childhood we find that fascinating group of humanity called soldiers. They come in assorted sizes, in tanks, on the battle ground, on various bases and always in debt. Girls love them, towns tolerate them and the government supports them. A soldier is laziness with a deck cards, bravery with a tattooed arm and the protector of the earth with a copy of Playboy.

They have the energy of a turtle, the slyness of a fox, the brains of an idiot, the stories of a sea captain, the sincerity of a diar, the aspirations of a Casanova, and when he wants something it is usually connected with a request form. Some of his interests are: girls, dames, women, females and the opposite sex. His dislikes are: answering letters, wearing his uniform, the old man, C.B. and "wakie, wakie."

No one else can cram into one fatigue pocket a little black book, a packet of crushed Exports, a picture of his girl, a comb, a church key, an old station card and what is left of his last week's pay. He likes to spend money on girls, some on beer, some on poker and the rest foolishly.

A soldier is a magical creature. You can lock him out of your home, but not out of your heart. You can scratch him off your mailing list, but not off your mind. He is your one and only, bleary eyed, good for nothing bundle of worries. But all your shattered hopes become significant when he comes home, looks at you with those bold bloodshot eyes and say, "Hiya honey."

A CORDIAL INVITATION IS EXTENDED TO ALL

WHAT MINDEN COUNCIL DID

A meeting of the Anson, Hindon and Minden council was held in the council chamber on Wednesday, August 29.

A by-law was passed granting A. R. Tyler, part of lot 32, conc. 6, Minden township, permission to use part of the road allowance on which a house was built inadvertently. This agreement is to be effective during the lifetime of the building.

Council authorized the fire chief to purchase a new auxiliary pump at a cost of \$520 plus the necessary fittings. This order is to be placed by the clerk as per quotation from LaFrance Fire Engine & Foamite Ltd., on May 30, 1962.

The clerk is to order road signs as recommended by the road overseer at a cost of \$145 subject to the approval of the Dept. of Highways.

In accordance with by-laws Nos. 17-62 and 18-62 the reeve and clerk were authorized to sign an agreement as presented by the Ontario Water Resources Commission. This agreement authorizes the O.W.R.C. to complete final engineering plans of the proposed Minden water system and to call for tenders for the installation. If satisfactory tenders are received by the commission a submission will be made to the Ontario Municipal Board for final approval.

Council accepted the tender of Canadian Petrofina Ltd. to supply furnace oil to the municipal building at a cost of .1660 cents per gallon as per quotation of August 3, 1962.

Accounts were paid amounting to \$785.41.

The next meeting of council will be held on Thursday, September 13 unless called earlier by the reeve.

(Continued from Page One)

and expenditures as presented to the meeting be put on paper and a copy mailed to each property owner for his or her consideration before any decision was made on the matter. A standing vote was taken and it was evident that a majority of those in attendance were in favor of the amendment.

It would appear to be a matter of another year before much can be done regarding the incorporation of the township of Harburn.

THUR-FRI-SAT

SEPTEMBER 13-14-15

One of Ontario Government's smaller hospitals.
Ontario Hospital, Aurora.

Dymond Discusses Health in Ontario

Ontario Hospital, Aurora

Matthew B. Dymond, MD, CM.
Ontario Minister of Health

Situated on the height of land between Lake Simcoe and Lake Ontario, in beautiful rolling farmland is one of the smaller Ontario hospitals.

Ontario Hospital, Aurora, is located on 127 acres of rich farm land; 57 acres are used for the growing of fruit and vegetables, 12 acres for hay and grain, 20 acres for pasture land and 28 acres of bush and uncultivated land. Much of the vegetable and poultry crop goes to other Ontario Hospitals for use in patients' diets.

The main building is a 4 storey brick and concrete structure which accommodates 290 beds. The grounds are beautifully landscaped with many fruit trees, flower beds and walks. Other buildings consist of a large modern chicken house for 1,000 hens and chickens, pens to raise 500 turkeys, a shed to accommodate 60 sheep, a root house, an implement shed and a garage.

For patient outdoor activities there are two large playing fields for baseball, football, volleyball and winter skating. Good use is made of the wooded area for hikes, picnics and corn roasts.

The patients are men and boys from age 16 upwards. All are mentally retarded and most of

them have had school and occupational training at Ontario Hospital School, Orillia and Smiths Falls.

Those with sufficient ability are employed at vegetable gardening, fruit farming and horticulture, poultry raising and sheep-herding, and as many of the patients as possible are employed outdoors. Smaller groups are employed in the laundry, dining rooms and in housekeeping tasks.

During bad weather the patients occupy two large day rooms equipped with T.V., and in the largest room there is a stage on which many plays and concerts are provided by outside groups. Movies are shown weekly. There is a well equipped and well staffed Occupational Therapy room in which groups are taught weaving, hand work, wood work and educational games.

VOLUNTEER GROUPS

Throughout the year White Cross Workers of The Canadian Mental Health Association visit the hospital regularly to organize and lead the boys in games, music and other activities. Sunday School is arranged by the local Ministerial Association.

All of these along with the staff constantly strive to push forward the programme of the Ontario Department of Health to help the mentally disordered to a better life.
